To whom it may concern,

New release of SOFPER

The SOFT-WIPER (US brand name: SOFPER), which was previously restricted in the United States, was released on May 27, 2021. This product is a fiber composite dust seal suitable for preventing the ingress of fiber dust and fine powder. Maintaining dust and lubrication.

With samples of "SOFPER" we have sent, please cooperate in expanding the sales of this product.

If you have any questions, please contact the person in charge.

Please contact us along with "Indicated code" on the attached brochure.
